

*Hardwood Finish Selections*

*Standard Species*

*All of our hardwoods are hand selected, and then milled and finished in our plant. The following hardwoods are considered "standard". A hand rubbed oil finish is the most durable and easiest to maintain. Maple is best finished with clear lacquer, a color sanding and finish lacquer coat.*

*Natural Ash with oiled finish*

*Natural Mahogany with oiled finish*

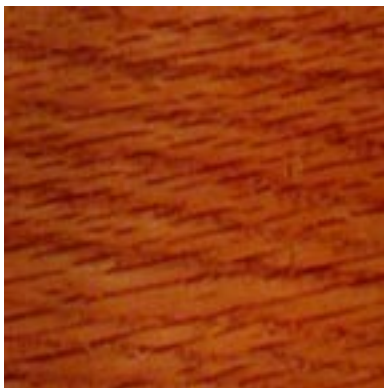

*Natural Cherry with oiled finish*

*Natural maple with laquer*

*Natural Oak with oiled finish*

*Natural Walnut with oiled finish*
